PERSONAL

GRANT CRUMLEY is in Reno attending to mining matters.

H. R. COOKE, the attorney, was a passenger for Sacramento today.

MARTIN KELLY left this morning for the east by way of Reno.

MRS. S. R. MOORE was a passenger this morning for Los Angeles where she was called by the serious illness of her mother.

A. L. REVERT, president of the Verdi and Revert Divide companies, returned today from his home in Oakland.

WILLIAM J. GALLAGHER, president of the New York Curb Trading association, has arrived to look over the Divide offerings.

MISS KATHERINE PEARCE, matron of the county hospital, has resigned owing to the pressure of work and will engage in private nursing.

SAM NEWHOUSE, the mine operator of Utah and Colorado, arrived this morning and went out to Han-napah where he will look over some property.

F. M. WALSH, representing the Daily Commercial News, of San Francisco, is here looking up matters pertaining to the Divide boom for his paper.

G. MART KORN, a pioneer carpenter of Tonopah, motored in from Boise, Idaho, this afternoon, accompanied by J. C. Crawford, a mining engineer.

CHARLES STEWART, who has been visiting his daughter-in-law, Mrs. J. W. Stewart, for the past two weeks, returned to his home in Bridgeport, Cal., this morning.

PERCY DAVISON, son of Frank Davison, returned here yesterday by automobile from Boston, Mass., where he has been for the past six months, and resumed his former position with the Nevada Telegraph and Telephone company.

BEN RICHARDSON, foreman of the Cash Boy, accompanied by his wife and adopted daughter, left yesterday for a three weeks' tour of Southern California, going first to Corcoran to visit Mrs. Richardson's family.

CHARLES ASKIN, chief of the fire department accompanied by William McAuliffe, left this morning by car for Los Angeles and southern California expecting to be gone about three weeks. The department will be in charge of William Rogers with Neal Peacock for extra man.

R. J. DAVEY, formerly of the Consolidated Mines company office in Goldfield, accompanied by Mrs. Davey and family, has gone to the Davey ranch in Oregon, where Mrs. Davey will remain for the summer. Mr. Davey will return in about a month to take charge of the Wingfield company offices in Tonopah.

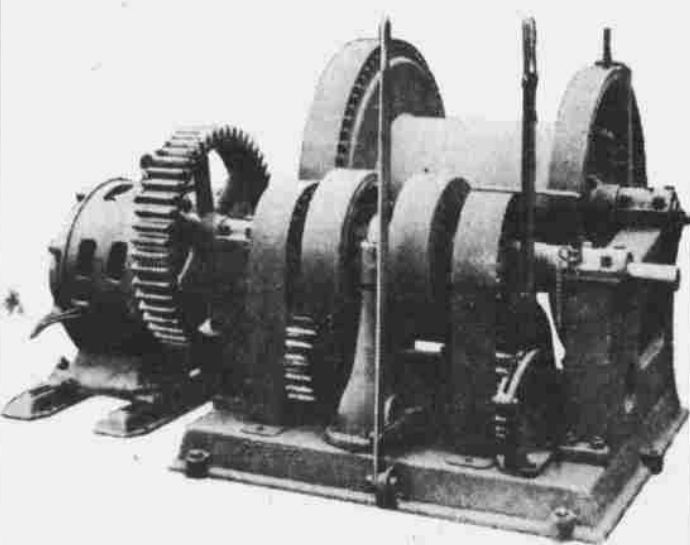

CARD OF THANKS

I take this means of thanking all kind friends for their sympathy in the hour of bereavement caused by the loss of an affectionate and dearly beloved brother, especially the employees of the Belmont mine and the Blacksmiths' Union.

JAMES CARTY.

GUNS BOOMING ON THE MARNE

Operations on the property of the Marne Divide Mining company, located a few hundred feet northeast of the Rosetta, are proceeding energetically under the direction of the officers in charge of getting the work started. This preliminary work is keeping pace with the rapid sale of treasury stock. Sales of stock so far have placed a snug sum in the company's treasury, which will insure the placing of a complete equipment on the property within the near future. A contract has been let for the purchase and removal from Goldfield of three houses to be erected on the property. A 48-foot head frame has also been purchased. This equipment will be on the ground within the next few days. Machinery will soon be in place and the sinking of a shaft will be commenced at a favorable site already selected by the company's engineers. The shaft will probably be sunk by contract. Estimates for the work are now being prepared.

Altogether, the prospects for the Marne are decidedly bright, not only for the complete financing of the company within a short time, but for actually finding the ore in view of the remarkable surface showing on the property. The Marne stock will soon be listed, and all signs point to its becoming one of the most popular Divide stocks on the board.

LATEST DIVIDE MAP

A. A. Codd, publisher of the revised Divide map, will leave in the morning for Reno taking the drawings and tracings already filed with his office. H. P. Browne, one of the staff engineers, will remain here until May 5 at which date the filings will close, as none can be received after that time for use in the forthcoming publication.

ENGINEERS GOING TO CAMP MERRITT

(By Associated Press) SACRAMENTO, Cal., April 29.—The governor received a telegram today saying that the second battalion of the 117th engineers composed mostly of Californians, had returned from overseas and will be sent to Camp Merritt.

TO WATER CONSUMERS

On account of sudden increased demands for water during the past two months it is necessary to conserve water as much as possible for domestic and commercial uses. For this reason we are not able to grant lawn or garden rates on and after May 1, this year. We ask the co-operation of all water customers having lawns or gardens.

WATER COMPANY OF TONOPAH.

ALL READY FOR THE BIG FIGHT

Everything is ready for the big scrap at the Airdome tonight. All the fighters on the card are said to be in the pink of condition and ready to put up the fight of their lives. Sol Levinson, manager of Johnny McCarthy, and Jack Russell, manager of Salinas Jack Robinson, arrived on the grounds from San Francisco this morning to look after their respective fighters. Both are confident they are handling a winner, which of the two will meet with disappointment is hard to say, but it is a sure thing the fight won't go on 25 rounds, as that is a long route to travel. Both are hard hitters and the writer looks for a knockout before the fight is half over. Al Grunman and Roy Renner, who box the semi-windup of six rounds, are both comers and which one will meet his Waterloo tonight is a hard guess at this stage of the game. The Tonopah band will parade Main street tonight and attend the fights. Doors of the Airdome will open at 7:30, the first bout will be put on at 8:30 sharp. George Quigley will referee the six round event and Emory Arnold of Goldfield will referee the main bout. Arnold knows every angle of the fight and can be depended upon to give a decision as he sees it.

SICKNESS RAVASHED ARMY DURING WAR

(By Associated Press) WASHINGTON, D. C., April 29.—The official report of the surgeon general shows that 51 per cent of the 11,179 deaths in the U. S. army during the war to date were due to disease, 43 per cent to battle wounds, and 6 per cent other injuries.

Assured Quality From Every Point

There are only a few manufacturers in America capable of creating that intangible something known as highest shoe quality.

No make of this class of footwear more closely approximates the absolute of shoe excellence than

Hettleton Shoes

Here meet all those finer qualities that distinguish real shoe superiority from the many efforts that approach perfection.

The leathers from which Hettleton shoes are made are marvellous in their softness. Every skin selected is painstakingly chosen to fit the most trifling defects. Live leather soles of old fashioned goodness are foundations as durable as oaken staves.

From the designing of beautifully modest, modern styles to the placing of each stitch and cypher every process helps to perpetuate the traditional Hettleton phrase—"Economy through Quality."
